Attr. No	**Attribute name**	**Version 2.8.0**	**Version 2.9.0**
-	-	**Stereotype:** choice	As from version 2.9.0 of ESAP 6 the stereotype choice will no longer be used. The cardinality of the attributes included in the classes which previously had the stereotype choice has been changed accordingly. This is just a different way of presenting the information and causes no change of the functionality. The decision to no longer use choice applies to all ESAP.
